

# JC17014

## Round Up\_Down Wall Light

30W Surface Mount up/down wall light IP54

### Features & Benefits

- Durable die-cast aluminium construction
- IP54 protection against dust and moisture
- Stylish
- contemporary design
- LED wall light with matching colour temperature and finish to the Architectural exterior range

CRI:RA

CLASS I

### General Information

|                              |   |
|------------------------------|---|
| Mounting                     | Wall  |
| Trade Name                   | Architectural   |
| Environment                  | Outdoor   |
| Product Group                | LED - Surface   |
| Color Finish                 | Black   |
| Product Shape                | Round   |
| Product Range                | Architectural Exterior Range  |
| Overall Dimensions           | 238 x 218 x 108   |
| Product Weight(kg)           | 2.63  |
| Light Source                 | LED   |
| Light Source Features        | Warm White  |
| Recommended Product Location | Residential applications  |
| Method Of Fix                | Surface Mounted   |
| IP Rating                    | IP54  |
| Origin of manufacturer       | China   |
| Warranty                     | 2 years standard warranty extends to 3 years when registered within the first year of purchase (See Website for terms and conditions) |
| Driver Manufacturer          | Mains chip  |
| LED Manufacturer/Type        | PHILIPS 2835  |

## Electrical

|                           |         |
|---------------------------|---------|
| Voltage Rating            | 200-240 |
| Operating Frequency Hz    | 50/60Hz |
| Luminaire Circuit Wattage | 30      |
| Class                     | I       |
| EMC Compliant (EN55015)   | yes     |

## Thermals

|                                |            |
|--------------------------------|------------|
| Operating Temperature Range °C | -20 to +50 |
|--------------------------------|------------|

## Performance Data

|                  |       |
|------------------|-------|
| LED Life (Hours) | 36000 |
|------------------|-------|

Hours life stated is an indication of expected L70 chip and light output calculations when operating in optimum conditions. Product warranty period supports the full product during the term given. The L70 hours expectancy is not correlated with the full product warranty term, nor is it a representation of lumen depreciation during the warranty period.

|                              |   |
|------------------------------|---|
| Energy Rating                | This product contains a light source of energy efficiency class G |
| Actual Lumen Output          | 1700  |
| Lumens Per Circuit Watt      | 57 LpcW   |
| Color Rendering Index        | 80-89   |
| CRI: Ra                      | 80  |
| Correlated Color Temperature | 3000K   |
| Beam Angle °                 | 110   |
| Photometry Available         | Yes   |

## Construction

|                  |           |
|------------------|-----------|
| Primary Material | Aluminium |
| Heat Sink        | Aluminium |
| Seal Material    | Silica    |

## Packaging

|                                |               |
|--------------------------------|---------------|
| Product Packaged Weight(kg)    | 3.03          |
| Quantity Per Outer Carton      | 4             |
| Product Bar Code EAN-13 Number | 5052544079450 |

## Standards & Approvals

|                               |                                  |
|-------------------------------|----------------------------------|
| Manufactured In Accordance To | BS 60598-2015                    |
| CE Marked                     | Yes                              |
| UKCA Marked                   | Yes                              |
| Date code/Purchase order No.  | Yes                              |
| Certificate Of Conformity     | Available on request             |
| Accredited Members            | LIA, ISO9001-2015, ISO14001-2015 |
