

JC0800005

## Skytile

Skytile 600x600mm 30W IP44 4000K 3000lm White frame DALI

### Features & Benefits

- UGR <19 as standard
- Ultra efficient 100LpcW
- Dimming versions available
- IP44 protection against dust and moisture
- Suspension kit and surface mount box available
- Compatible with standard and JCC self-test emergency remote packs

### General Information

|                              |  |
|------------------------------|--|
| Mounting                     | Recessed   |
| Trade Name                   | Skytile  |
| Environment                  | Indoor   |
| Suitable For Zones           | Outside zone 1   |
| Product Group                | LED - Recessed   |
| Color Finish                 | White  |
| Product Shape                | Square   |
| Product Range                | Skytile  |
| Overall Dimensions           | 595 x 595 x 9.8 mm   |
| Length (mm)                  | 595  |
| Width (mm)                   | 595  |
| Depth (mm)                   | 9.8  |
| Product Weight(kg)           | 2.1  |
| Light Source                 | LED  |
| Light Source Features        | Neutral White  |
| Additional Information       | Not fire rated   |
| Luminaire Accessories        | Skytile surface mount tray(JC71262) Suspension kit (JC71311) |
| Recommended Product Location | indoor use only, T grid ceiling systems                      |
| Minimum Void Requirement     | 150mm  |
| Method Of Fix                | sits in 15mm and 25mm ceiling grid system                    |

|                                  |   |
|----------------------------------|---|
| Distance From Lighted Object     | 0.3m  |
| IP Rating                        | IP44  |
| Origin of manufacturer           | Made in China   |
| Warranty                         | 2 years standard warranty extends to 5 years when registered within the first year of purchase (inc 2 year on site)(See Website for terms and conditions) |
| Dimming Protocol Compatibility   | DALI  |
| Suspension Kit Safe Working Load | 20kg  |
| Driver Manufacturer              | Kreat   |
| LED Manufacturer/Type            | Runlite 4014  |
| Lighting Product Type 1          | Troffer   |
| Customs Tariff code**            | 9405119090  |

## Electrical

|                                      |                          |
|--------------------------------------|--------------------------|
| Voltage Rating                       | 220-240                  |
| Primary Running Current(Amp)         | 0.17                     |
| Inrush current(Amps)                 | <15                      |
| Operating Frequency Hz               | 50/60Hz                  |
| Secondary running current(mA)        | 700                      |
| Constant Current or Constant Voltage | CC                       |
| Luminaire Circuit Wattage            | 30                       |
| Class                                | II                       |
| Output Voltage Max/Range (VDC)       | 9-58                     |
| Total Harmonic Distortion (THD)%     | 13                       |
| EMC Compliant (EN55015)              | Yes                      |
| Power Factor Correction              | 0.95                     |
| Input Electrical Connections         | Live(brown)Neutral(blue) |
| Dimmable                             | DALI                     |

## Emergency Data

|                 |      |
|-----------------|------|
| Control options | DALI |
|-----------------|------|

## Thermals

|                                |                               |
|--------------------------------|-------------------------------|
| Thermal Cut Out                | yes, auto recovery            |
| Insulation Coverage            | do not cover                  |
| Minimum Free Air Space         | 100mm above and 50mm to sides |
| Minimum Void Requirement       | 150mm                         |
| Operating Temperature Range °C | -25 to +50                    |

## Performance Data

|                     |   |
|---------------------|---|
| LED Life (Hours)*   | 54000   |
| Energy Rating       | This product contains a light source of energy efficiency class F |
| Actual Lumen Output | 3000  |

|   |          |
|---|----------|
| Lumens Per Circuit Watt                   | 100 LpcW |
| Standard Deviation Colour Matching - SDCM | <6       |
| Color Rendering Index                     | 80-89    |
| CRl: Ra                                   | 80       |
| Correlated Color Temperature              | 4000K    |
| Beam Angle °                              | 90       |
| LOR (Light Output Ratio) %                | 100      |
| Photometry Available                      | Yes      |

Controls and Sensors

|                     |                     |
|---------------------|---------------------|
| Overload Protection | Yes                 |
| Control             | Networkable Control |

Construction

|                  |                                 |
|------------------|---------------------------------|
| Primary Material | Aluminium                       |
| Inner Diffuser   | Methylmethacrylate-Styrene (MS) |
| Outer Diffuser   | Polystyrene (PS)                |
| Heat Sink        | Aluminium                       |
| Driver Housing   | Polycarbonate                   |

Packaging

|                                     |                |
|-------------------------------------|----------------|
| Quantity Per Outer Carton           | 5              |
| Outer carton(L)- cm                 | 67             |
| Outer carton(W)- cm                 | 22.5           |
| Outer carton(H)- cm                 | 71             |
| Outer carton Net weight- kg         | 12.5           |
| Outer carton Gross weight- kg       | 13.5           |
| Product Bar Code EAN-13 Number      | 5052544097294  |
| Outer carton Bar Code ITF-14 Number | 15052544097291 |

Standards & Approvals

|                               |                                  |
|-------------------------------|----------------------------------|
| Manufactured In Accordance To | BS EN 60598-2-2                  |
| CE Marked                     | Yes                              |
| UKCA Marked                   | Yes                              |
| Date code/Purchase order No.  | Yes                              |
| WEEE Symbol                   | Yes                              |
| Certificate Of Conformity     | Available on request             |
| Accredited Members            | LIA, ISO9001-2015, ISO14001-2015 |

\*Hours life stated is an indication of expected L70 chip and light output calculations when operating in optimum conditions. Product warranty period supports the full product during the term given. The L70 hours expectancy is not correlated with the full product warranty term, nor is it a representation of lumen depreciation during the warranty period.

\*\*JCC Lighting Limited makes every effort to ensure that the Customs Tariff information in this document is timely and accurate. However, it's not possible for us to assure the absolute veracity and completeness of that information, as errors may occur. The placement of any inaccurate tariff information is completely unintentional. JCC Lighting Limited reserves the right, in its sole discretion, to correct any errors or omissions to the tariff code and to make any and all changes contained in this document at any time and without notice. It is the sole responsibility of the importer to ensure that the commodity code advised is correct for the products/goods being supplied by JCC Lighting Limited. JCC Lighting Limited does not assume any liabilities, losses, costs, and expenses arising out of or related to the importers use of this commodity code or the information related to the import of any JCC Lighting products.
